He remembers the first time he met her
He remembers the first thing she said
He remembers the first time he held her
And the night that she came to his bed
He remembers her sweet way of sayin'
Honey has somethin gone wrong?
He remembers the fun and the teasin
And the reason he wrote her this song

Ill give you a daisy a day, dear
Ill give you a daisy a day
Ill love you until the river runs still
And the four winds we know blow away

They would walk down the street in the evenin
And for years I would see them go by
And their love that was more than the clothes that they
wore
Could be seen in the gleam of their eyes

As a kid they would take me for candy
And I loved to go taggin along
Wed hold hands as we walked to the corner
And the old man would sing her his song

Ill give you a daisy a day, dear
Ill give you a daisy a day
Ill love you unti-il the river run still
And the four winds we know blow away

Now he walks down the street in the evenin
And he stops by the old candy store
And I somehow believe hes believin
Hes holdin her hand like before

For he feels all her love walkin with him
And he smiles at the things she might say
Then the old man walks up to the hilltop
And gives her a daisy a day

Ill give you a daisy a day, dear

Ill give you a daisy a day
Ill love you until the river runs still
And the four winds we know blow a-way...
