Amazi-ing Grace
How-ow sweet the sou-ound
I was blind
But now-ow I see
Amazing Grace
How-ow sweet the sou-ound
That saved a wre-etch like me
I o-once wa-a-as lost
But now-ow I'm fou-ound
I was blind
But now-ow, I see-ee
It was Grace
That taught my heart to fear-ear
And Grace
My fear-ears relieved

How pre-eciou-ous did that Gra-ace appear-ear
The hour I fir-irst belie-ieved
Through many dangers
And toils and snare-ares
I have already come
T'is Gra-ace
Tha-at brought me sa-afe thus far-ar
A-and Grace will lea-ead
Will lead me ho-o-ome...
