Jesus loves His little children
All the little children of the world
Red and yellow, black and white, they are precious in
his sight
Jesus loves the little children of the world

Everything is beautiful in its' own way
Like a starry summer night or a snow covered winter's
day
Everybody's beautiful in their own way
Under God's heaven, the world's gonna find a way

There is none so blind
As he who will not see
We must not close our minds
We must let our thoughts be free

For every hour that passes by
You know the world gets a little bit older
It's time to realize that beauty lies
In the eye-eyes of the beholder

Everything is beautiful in its' own way
Like a starry summer night or a snow covered winter's
day
Everybody's beautiful in their own way
Under God's heaven, the world's gonna find a way

We shouldn't care about the length of his hair
Or the color of his skin
Don't worry about what show from without
But the love that lives within

You can get it all together now
And every thing's gonna work out fine
Just take a little time to look on the good side
And straighten it out in your mind

Everything is beautiful in its' own way
Like a starry summer night or a snow covered winter's
day
Everybody's beautiful in their own way

Under God's heaven, the world's gonna find a way

Everything is beautiful in its' own way
Like a starry summer night or a snow covered winter's
day
Everybody's beautiful

Everything is beautiful in its' own way
Like a starry summer night or a snow covered winter's
day
Everybody's beautiful

Everything is beautiful in its' own way
Like a starry summer night or a snow covered winter's
day
Everybody's beautiful
