Try to remember the kind of September
When life was slow and oh, so mellow
Try to remember the kind of September
When grass was green and grain was yellow
Try to remember the kind of September
When you were a tender and callow fellow
Try to remember, and if you remember
Then follow (remember to follow)

Try to remember when life was so tender
That dreams were kept beside your pillow
Deep in December it's nice to remember
The fire of September that made us mellow
Try to remember, and if you remember
Then follow (to follow)
Remember (remember)
To follow (to follow)
