Acquired mind with acquired someone  
You don't know it feels so low  
Said, she left he or he left you  
Still not quite sure what to do

No words left just left enough  
The only time I used to have  
I just wished that I could lose it

No words left just left enough  
The only time I used to have  
I just wished that I could lose it

Acquired mind with acquired someone  
You don't know it feels so low  
Said, she left he or he left you  
Still not quite sure what to do

No words left just left enough  
The only time I used to have  
I just wished that I could lose it

No words left just left enough  
The only time I used to have  
I just wished that I could lose it

Oh, if you ever  
Oh, if you ever  
Oh, if you ever  
Oh, if you ever

Oh, if you ever  
(Feel so lost and feel so hurt)  
Oh, if you ever  
(Feel so lost and feel so hurt)

Oh, if you ever  
(Feel so lost and feel so hurt)  
Oh, if you ever  
(Feel so lost and feel so hurt)

No words left just left enough

The only time I used to have  
I just wished that I could lose it

No words left just left enough  
The only time I used to have  
I just wished that I could lose it

Oh, if you ever  
Oh, if you ever  
Oh, if you ever  
Oh, if you ever

Oh, if you ever  
(Feel so lost and feel so hurt)  
Oh, if you ever  
(Feel so lost and feel so hurt)

Oh, if you ever  
(Feel so lost and feel so hurt)  
Oh, if you ever  
(Feel so lost and feel so hurt)
