Can you remember looking at the heights?  
Knowing one of us, if we took all night  
And I wonder what you can see from up there?  
Do you remember when we had no care?

Can you remember looking at the heights?  
Knowing one of us, if we took all night  
And I wonder what you can see from up there?  
Do you remember when we had no care?

Climb to the top of that tallest tree, I bet you I can and I  
bet you I'll see  
Further I'll wait in the Heaven, been before  
Climb to the top of that tallest tree, I bet you I can and I  
bet you I'll see  
Further I'll wait in the Heaven, been before

Can you remember looking at the heights?  
Knowing one of us, if we took all night  
And I wonder what you can see from up there?  
Do you remember when we had no care?

Climb to the top of that tallest tree, I bet you I can and I  
bet you I'll see  
Further I'll wait in the Heaven, been before  
Climb to the top of that tallest tree, I bet you I can and I  
bet you I'll see  
Further I'll wait in the Heaven, been before

Climb to the top of that tallest tree, I bet you I can and I  
bet you I'll see  
Further I'll wait in the Heaven, been before  
Climb to the top of that tallest tree, I bet you I can and I  
bet you I'll see  
Further I'll wait in the Heaven, been before

Climb to the top of that tallest tree, I bet you I can and I  
bet you I'll see
