If you don't give my football back  
I'm gonna get my dad on you  
I only kicked it over your fence  
And broke a silly gnome or two

Eanie meany, run away  
Eanie meany, run away

If you don't give my football back  
I'm gonna get my dad on you  
I only kicked it over your fence  
And broke a silly gnome or two

Eanie meany, run away  
Eanie meany, run away

Eanie meany, run away  
Eanie meany, run away

Eanie meany, run away  
Eanie, run away  
Steal my football, run away  
I'll get it back some day

Eanie meany, run away  
Eanie, run away  
Steal my football, run away  
I'll get it back some day

Eanie meany, run away  
Eanie, run away  
Steal my football, run away  
I'll get it back some day

Eanie meany, run away  
Eanie, run away  
Steal my football, run away  
I'll get it back some day
