Do you still remember how we used to be?
Feeling together, believe in whatever
My love has said to me

Both of us were dreamers, young love in the sun
Felt like my Saviour, my spirit I gave you
We'd only just begun

Viva forever, I'll be waiting
Everlasting like the sun
Live forever for the moment
Ever searching for the sun

Yes, I still remember, every whispered word
Touch your skin, giving life from within
Like a love song that I'd heard

Slipping through our fingers like the sands of time
Promises made, every memory saved
Has reflections in my mind

Back where I belong now, was it just a dream
Feelings untold, they will never be sold
And the secret's safe with me

Viva forever, I'll be waiting
Everlasting like the sun
Live forever, for the moment
Ever searching for the sun

Viva forever
Viva forever, I'll be waiting
Viva forever, I'll be waiting
Viva forever, I'll be waiting

Viva forever, I'll be waiting
Viva forever, I'll be waiting

Viva forever
Viva forever
Viva forever
