Accordin' to my hear-ear-ear
You're the one for me
The one love of my life is here
When you're with me
If someone stole your lo-o-ove
My heart would beat no more
For you're the one
My heart is always longin' for

'Though I don't know the reason why
My dreams don't turn out right
Still I'll keep listenin' to my heart
Who knows, someday they might
For accordin' to my hear-ear-ear
The future will be bright
And everyday I pray
That my heart knows what's right

Accordin' to my hear-ear-ear
You're the one for me
The one love of my life is here
When you're with me
If someone stole your lo-o-ove
My heart would beat no more
For you're the one
My heart is always longin' for

'Though I don't know the reason why
My dreams don't turn out right
Still I'll keep listenin' to my heart
Who knows, someday they might
For accordin' to my hear-ear-ear
The future will be bright
And everyday I pray
That my heart knows what's right
