Almost you fell in love with me
Almost you were my bride to be

But each promise that was made
You have broken and betrayed
And left me with a faded memory

Almost my precious dreams came true
Almost you whispered dear I do

But someone new came by
And you left me here to cry
Oh, how close we were almost

Almost your heart I did possess
Almost you brought me happiness

But my dreams just won't come true
And there's nothing I can do
Oh, how close we were almost
