See that train coming round the bend
Carrying the one that I love
Her beautiful body is still here on earth
But her soul has been called up above.

Body and soul, body and soul,
That's how she loved me, with body and soul.

Her beautiful hair was the purest of gold,
Her eyes were as blue as the sea,
Her lips were the color of summer's red rose,
And she promised she would always love me.

Tomorrow as the sun sinks low
The shadows will cover her face
As her last sun goes down, she's laid beneath the
ground
And my teardrops are falling like rain...
