(Ted Daffan - Theda Daffan)

You are my guiding star  
The one love I can't live without  
All these things I know you are  
Beyond the shadow of a doubt.

Through rain, through snow or storm  
The coldest, darkest hour out  
Your love will keep me warm  
Beyond the shadow of a doubt.

--- Instrumental ---

No gates, no bars, my dear  
Will ever serve to keep me out  
Call my name and I'll be there  
Beyond the shadow of a doubt.

Through rain, through snow or storm  
The coldest, darkest hour out  
Your love will keep me warm  
Beyond the shadow of a doubt...
