You are my guiding star
The one that I can't live without
All these things I know
You are beyond the shadow of a doubt

Through rain through snow or storm
The coldest darkest hour out
Your love will keep me warm
Beyond the shadow of a doubt

No gates no bars my dear
Will ever serve to keep me out
Call my name and I'll be there
Beyond the shadow of a doubt

Through rain through snow or storm
The coldest darkest hour out
Your love will keep me warm
Beyond the shadow of a doubt
