Breeze, you took her from my side  
She was my blushing bride  
Oh, hear my plea, hear my plea

Hear me begging you upon my knees  
Bring her back sweet evening breeze  
Bring my baby back to me

It's an ill wind that blows nobody good  
Blows nobody good they say  
It's an ill wind that blows nobody good  
That blow my gal away

Breeze, you took my gal away  
I've had the blues all day  
Since early dawn, early dawn

You come a whisperin' through the trees  
Little breeze  
When I woke up this morning she was gone, she was  
gone

Breeze, you took her from my side  
She was my blushing bride  
Oh, hear my plea, hear my plea

Hear me begging you upon my knees  
Bring her back sweet evening breeze  
Bring my baby back to me

Hear me begging you upon my knees  
Bring her back sweet evening breeze  
Bring my baby back to me
