I love those dear hearts and gentle people who live in
my hometown
I love those dear hearts and gentle people who never
ever let you down
They read the good book from Friday to Monday that's
how the weekend goes
I've got a dreamhouse I'll build there one day with
picket fence and rambling rose
I feel so welcome each time that I return till my happy
heart's laughing like a clown
I love those dear hearts and gentle people who live and
love in my hometown

picket fence and rambling rose

I love those dear dear hearts and gentle people who'll
never ever let you down
They live and love in my hometown
