"Did You Darling"

A friend told me that he saw you
In the arms of a love that you once knew
There was laughter in your voice
A smile upon your face
And the devil in those pretty eyes of blue

I don't believe what my friends told me
I can't believe that you would be untrue
I know your heart beats for me and no other
Still I wonder darling did you

Did you return to the arms that held you tightly
To the lips that whispered words untrue
I love you too much to believe a careless rumor
Still I wonder, darling did you?
