Each time you leave I die a little  
Say I'm foolish if you will  
But no matter how I try  
Each time you say goodbye  
My foolish heart just won't be still.

Each time you leave I die a little  
I'm so afraid I'll lose you dear  
Hold me and say  
That you'll always stay  
I only live when you are near.

Each time you leave I die a little  
Say I'm foolish if you will  
But no matter how I try  
Each time you say goodbye  
My foolish heart just won't be still.

Each time you leave I die a little  
I'm so afraid I'll lose you dear  
Hold me and say  
That you'll always stay  
I only live when you are near...
