Got you on my mind,
Feeling kind of sad and low.
Got you on my mind,
Feeling kind of sad and low.
Wondering where you are,
Wondering why you had to go.

Tears begin to fall
Every time I hear your name.
Tears begin to fall
Every time I hear your name.
'Cause since you went away,
Nothing seems to be the same.

No matter how I try,
My heart keeps tellin' me
I can't forget you.
If it should ever be
You want to come back to me,
Just know I'll let you.

Got you on my mind,
Feeling kind of sad and low.
Got you on my mind,
Feeling kind of sad and low.
Wondering where you are,
Wondering why you had to go.

--- Instrumental ---

No matter how I try,
My heart keeps tellin' me
I can't forget you.
If it should ever be
You want to come back to me,
I guess I'll let you.

Got you on my mind,
Feeling kind of sad and low.
Got you on my mind,
Feeling kind of sad and low.

Wondering where you are,
Wondering why you had to go.

Wondering where you are,
Wondering why you had to go...
