Oh, Gypsy heart when you hear the whistle of a train
You forget the promise that you made down in lover's
lane
You forget the kisses warm
The way you held her in your arms
You forget the way you thrilled her heart with all your
gypsy charms.

Oh - oh - ohhhhhhhhhhh
Hear the whistle blow
Oh - oh - ohhhhhhhhhhh
Away, away you go
Gypsy heart you want love but not the settled kind
You'll be the death of love for me oh gypsy heart of
mine.

I met a girl Birmingham with eyes so big and blue
I loved her since she said I cannot roam my dear with
you
She said I want a little home
A heart to love and not roam
I'm sure someday you'll find your own a gypsy heart
like you.

Oh - oh - ohhhhhhhhhhh
Hear the whistle blow
Oh - oh - ohhhhhhhhhhh

Away, away you go
Up till now the girls you've loved have all been very
smart
They know even the change of love can't bind your
gypsy heart.

Gypsy heart the wind that blows so far across the sea
Most of you will come along there's pretty things to see
In Ireland there are fair colleens
And songs of long ago
And the lovely ladies down in Spain oh gypsy heart let's
go.

Oh - oh - ohhhhhhhhhhh

Hear the whistle blow
Oh - oh - ohhhhhhhhhh
Away, away you go
You've been doin' everything since Noah sailed his ark
So let's keep rolling 'til we find another gypsy heart.
