With pen in hand I tried to write this note to you.
I know now where I stand but what am I to do
I found so many things to say since we're so far apart
How can I write on paper what I feel in my heart

* How can I write on paper what I'm feeling deep inside
Words to you would last no longer then it takes the ink
to dry
A love as sweet as yours and mine deserves another
start
How can I write on paper what I feel in my heart

Those simple things you gave are worth the world to
me
To each of them I cling, you can't take memories
so many things were left unsaid I don't know where to
start
How can I write on paper what I feel in my heart
Repeat*
