I don't see me in your eyes anymore  
Oh, why can't I make them shine as before  
I don't see you or your heart in a kiss  
When you should sigh you're mine you resist

There was a time love was fine love was ecstasy  
But now I doubt what the outcome will be  
I pray you'll say I'm the one you adore  
And I'll see me in your eyes as before

There was a time love was fine love was ecstasy  
But now I doubt what the outcome will be  
I pray you'll say I'm the one you adore  
And I'll see me in your eyes as before
