### "I Know What It Means To Be Lonesome"

I know what it means to be lonesome  
And I know what it means to be blue  
I know what it means to be lonesome in dreams  
When there is no one at home for you.

Well, my baby left me this morning  
As the clock was striking four  
The sweet smiling face of my darling  
I may never see any more.

Well, I've cried and I've cried since we parted  
No one knows what I have been through  
You know I'd give all I own just to have you back home  
I'm lonesome, lonesome for you...
