Last night was the worst night of my life no doubt
'Cause while I stayed at home someone else took you
out
I cried 'cause I love you with all of my might
And I missed me, how I missed me at your house last
night

I missed holding hands walking out on your lawn
I missed the sweet kiss that was mine for so long
Were you happy with new arms wrapped around you so
tight?
I missed me, how I missed me at your house last night

Did the neighbors say they noticed anything strange
Like a different car parked in your drive for a change?
Did they watch as he kissed you beneath the porch
light?
Did they miss me like I missed me at your house last
night?

I missed holding hands walking out on your lawn
I missed the sweet kiss that was mine for so long
Were you happy with new arms wrapped around you so
tight?
I missed me, how I missed me at your house last night
