I was just walkin' out the door  
It's too bad you didn't come before  
I waited so long, so long, so long  
There's no time to wait any more

How I cried for you day and night  
For the letters that you wouldn't write  
But now it's alright, alright, alright  
You won't have to write any more

Not so long ago, you will never know  
What this day to me would have been  
But it's all changed now but darling, anyhow  
It was nice to see you again

Well, it's almost a quarter to four  
Sorry, I can't stay any more  
I must be on my way, it's my wedding day  
And I was just walkin' out the door

Well, it's almost a quarter to four  
Sorry, I can't stay any more  
I must be on my way, it's my wedding day  
And I was just walkin' out the door
