Well I called you on the phone to tell you who I love
And if you want to be mine
But then I'm hanging up I won't call no more
But I'll do it every time

Oh well I'll do it every time
But I'm gentle and I'm not to rough
When I feel the touch of your wonderful love
I just can't get it enough

Well I asked you for date a little bitty date
I said no later than nine
Then I promise not to ask please don't go yet
But I'll do it every time

Well I beg and beg for one little kiss
One little kiss would be fine
Then I'll tell you that I'll go I won't beg no more
But I'll do it every time

(Instrumental)
