There's a big bright moon above and the night's just
made for love

Baby I'm ready if you're willing

If that twinkle in your eye is a daring me to try

Baby I'm ready if you're willing

Baby can't you see I'm waiting for you to make up your
mind

There's no use in hesitating can't you see we're
wasting time

Don't you think that love is grand let me be your lover
man

Baby I'm ready if you're willing

(Instrumental)

I like the way you smile would you like to spoon awhile

Baby I'm ready if you're willing

And I like the way you kiss ooh let's go on like this

Baby I'm ready if you're willing

Baby can't you see I'm waiting for you to make up your
mind

There's no use in hesitating can't you see we're
wasting time

Don't you think that love is grand let me be your lover
man

Baby I'm ready if you're willing

(Instrumental)

Baby can't you see I'm waiting for you to make up your
mind

There's no use in hesitating can't you see we're
wasting time

Don't you think that love is grand let me be your lover
man

Baby I'm ready if you're willing
