"In A Mansion Stands My Love"

On a mountain stands a mansion so fine and it looks
down on this cabin of mine
I had a love and I loved her true but along came a rich
man and loved her to
Now on a mountain in a mansion stands my love

Well he promised he'd buy her diamond rings yes he
promised fancy dresses and things
He promised everything indeed but it can't buy the love
that her poor heart needs
On a mountain in a mansion so fine
[guitar]
Now I know that she's not happy there and I know that
she's got thing to bare
My only dream is that someday she'll come right back
here and stay

In the cabin in the valley with me
On a mountain in a mansion so fine...
On a mountain in a mansion stands my love n a
mountain in a mansion stands my love
