The chimes of time ring out the news
Another day is through
Someone slipped and fell
Was that someone you?

You may have long for added strength
Your courage to renew
Do not be disheartened
I have news for you

It is no secret what God can do
What he's done for others he'll do for you
With arms wide open he'll pardon you
It is no secret what God can do

There is no night for in his light
You'll never walk alone
You'll always feel at home wherever you may roam

There is no power that can conquer you
While God is on your side
Take him at his promise
Don't run away and hide

It is no secret what God can do
