Linda, Linda, I wish you were mine

When I go to sleep I never count sheep  
I count all the charms about Linda  
And lately it seems in all of my dreams  
I walk with my arms about Linda

But what good does it do me  
For Linda doesn't know I exist  
I can't have feeling blue me  
'Cause just think of all the lovin' I've missed

We pass on the street, my heart skips a beat  
I say to myself hello Linda  
If only she'd smile, I'd stop her a while  
And then I would get to know Linda

But miracle still happened  
And when my lucky star begins to shine  
With one lucky break I'll make Linda mine

We pass on the street, my heart skips a beat  
I say to myself hello Linda  
If only she'd smile, I'd stop her a while  
And then I would get to know Linda

But miracle still happened  
And when my lucky star begins to shine  
With one lucky break I'll make Linda mine
