Little ole dime  
You're the last of a pocket full  
I put all the others in this telephone  
I've called all over town for a lost love  
Let this last number be  
The right one

Little ole dime  
You're my last chance to find her  
And I'm placing all my last hopes on you  
Let me tell her I'll always be waitin'  
Just in case things don't work out  
With someone new

Little ole dime  
Please don't disappoint me  
I can't call anymore  
You're my last dime

Tomorrow she'll be gone  
With her new love  
And I've just got to talk to her  
One more time

Little ole dime  
As you leave my shakin' fingers  
I pray I'll hear her answer the phone  
The sound of her voice will ease my heartaches  
Even though I know tomorrow  
She'll be gone

Little ole dime  
Here you go after the others  
If she answers or not it's still goodbye  
I'm almost afraid to dial the number  
If she isn't there I know  
I'm gonna cry

Little ole dime  
Please don't disappoint me  
I can't call anymore  
You're my last dime

Tomorrow she'll be gone  
With her new love  
And I've just got to talk to her  
One more time
