"Lonesome Waltz"

When a record starts to spinnin' and love words make a
song

I think of a million sweethearts but only one I could own

Today your life is music and famous they say you'll be

Darling sometimes write a lonesome waltz for me

Put in some pretty love words as fresh as the summer

rain

I'll furnish many teardrops and pretend you're mine

again

And if some day you'll find you're just a used to be

Please come back and dance this lonesome waltz for

me

[piano]

When a story's told and music for millions to hear its

cry

There's always someone lonesome who'll hang their

head and cry

A waltz's so soft and touching a love's so cold and lost

Darling please for old time sake let's dance the

lonesome waltz
