As I lay me down to sleep  
I pray the lord my soul to keep  
And for someone more dear to me  
Than words can tell or eyes can see.

Expose my heart and lay it bare  
Let her see the love that's there  
Use your power so great and wise  
Make me wonderful in her eyes.

Every night I bow my head  
And say a prayer for daily bread  
Tonight I ask for a greater prize  
Make me wonderful in her eyes.

Let her look at me  
Through the eyes of love  
And treasure me  
To the stars above.

Let her know how strong the need  
As earth needs rain for strength to seed  
Make her love the night and day  
You always answer when I pray.

Touch her heart with tenderness  
And let me feel completely blessed.

Let her vision come behold  
The mirror of my very soul  
Reflect our love to twice it's size  
And make me wonderful in her eyes.

Make me wonderful in her eyes...
