Take a good look at me, dear
Do you think I could lie
You may never believe me
But I'm sure gonna try.

There're no loves in my future
And there's none in the past
You the first one I've loved, dear
And the first is the last.

My hand are clean I say, just wait of you
Go wash you hands of me and say we're through
Oh, tell me that it's all been just a dream
And say you know my hands are clean.

All the dirt that he planted in your mind, it's true
And I know how he's planned it, all he wanted was you
It's no wonder darling, 'cause I know how he feels
But you shouldn't believe it 'cause there none of it real

My hand are clean I say, just wait of you
Go wash you hands of me and say we're through
Oh, tell me that it's all been just a dream
And say you know my hands are clean...
