If you're sitting with your baby in the moonlight
Ask her for a kiss and she says no
Keep trying, things may happen
You may some night catch her napping
So never take no for an answer

Never take no, that won't make the love light glow
Take your sweetheart in your arms and then romance
her
Go ahead and take a chance, this may be your big
romance
So never take no for an answer

If you wanna pitch some woo with your baby
Some night when you take her to a show
If you wanna snuggle closer but all she says is no
Sir, never take no for an answer

Never take no, that won't make the love light glow
Take your sweetheart in your arms and then romance
her
Go ahead and take a chance, this may be your big
romance
So never take no for an answer
