I know they've been sayin'
That you broke every rule
That one day I'll lose you
'Cause I'm nobody's fool

I'll always have heartaches
As long as you're mine
But if I should lose you
I'd be lonely all time

So I'd rather be your fool
Than no fool at all
I'll just spend those lonely hours
Just hoping you'll call

There was no love before you
Only empty affairs
But I'm a fool, forever faithful
For the little you care

So I'd rather be your fool
Than no fool at all
I'll just spend those lonely hours
Just hoping you'll call

There was no love before you
Only empty affairs
But I'm a fool, forever faithful
For the little you care
