Please release me let me go
for I don't love you anymore
To waste our lives would be a sin
Release me and let me love again

I have found a new love dear
And I will always want her near
her lips are warm while yours are cold
Release me my darling let me go

for I don't love you anymore
So release me and let me love again

Please release me can't you see
you'd be A fool to cling to me
To live a life would bring us pain
So release me and let me love again
