Somebody read this letter for me  
There's tears in my eyes and I can't see  
I'm afraid that my darling walked through these trees  
Somebody read this letter for me.

I'd like to read it but each time I try  
My heart says it's bad new and I start to cry  
I know at the ending there'll be a goodbye  
To see through these tearsdrops, I can't though I try.

This is the letter I knew I would get  
It's payment for something I'll always regret  
Be careful the papers a little bit wet  
With teardrops for someone I'll never forget.

If it's signed by a lawyer I know what that means  
Tomorrow he'll put an end to my dreams  
You tell my darling once more you are free  
Won't somebody read this letter for me?...
