Roly Poly eatin' corn and taters  
Hungry every minute of the day  
Roly Poly knowin' all the biscuits  
Long as he can chew it it's okay

He can eat an apple pie  
And never even bat an eye  
He likes everything from a soup to hay

Roly Poly daddy's little fatty bet  
He's gonna be a man someday

Roly Poly scrambled eggs for breakfast  
Bread and jelly twenty times a day  
Roly Poly eats a hard day dinner  
It takes lots of strength to run and play

Bowls up weeds and does the chores  
Runs both ways to all the stores  
He wears up that appetite that way

Roly Poly daddy's little fatty bet  
He's gonna be a man someday

Roly Poly scrambled eggs for breakfast
