You ask me why I wander  
Why I'm always on the roam  
Let me tell you sweetheart  
I've never had a home.

I've got sand, burnin' sand in my shoes.

I've had girls to call me sweetheart  
But I always say goodbye  
'Cause I only love three people  
Me, myself and I.

I've go sand, burnin' sand in my shoes  
I've go sand, burnin' sand in my shoes.

I keep moving just to dodge the blues  
I'd love to stay awhile with you  
Wearing my shoes.

But I've go sand, burnin' sand in my shoes.

I met a girl the other night  
Who pleased me to a tee  
Till she puckered up  
And slipped this note  
Won't you please marry me?

Then I got sand, burnin' sand in my shoes  
I've go sand, burnin' sand in my shoes.

I keep movin' just to dodge the blues  
I'd love to stay awhile with you  
A wearing my new shoes.

But I've go sand, burnin' sand in my shoes...
