I know that someday  
You'll want me to want you  
When I'm in love with somebody else

You expect me to be true  
And keep on loving you  
Though I'm feeling blue  
You think I can't forget you

Until someday  
You'll want me to want you  
When I'm strong for somebody new

Though you don't want me now  
I'll get along somehow  
And then I want want you

I know that someday  
You'll want me to want you  
When I'm strong for somebody new

And though you don't want me now  
I'll get along somehow  
And then I won't want you
