(Sweet sweet Sue sweet sweet Sue)
Every little star above knows the one I love sweet Sue
just you
And the moon up high knows the reason why sweet Sue
it's you
No one else it seems ever shares my dreams
And without you dear I don't know what I'd do
In this heart of mine you live all the time sweet Sue just
you
[piano - vibes]
(Every star above knows the one I love) it's you sweet
Sue
(And the moon up high knows the reason why) it's you
sweet Sue
Nobody else it seems ever shares my dreams

And without you dear...
You just you just you
