Tahiti the land of love and romance
Tahiti where I fell in love at a glance
Would you like to go where blue waters flow
From the mountains to the sea

Where cares are few hearts are light and true
And everyone's carefree where the girls are plenty
And you may love anyone that you may see
Go ahead and have fun with all of them but one
Cause she belongs to me

She's my sweetie from Tahiti
She's my sweetheart with eyes like an angel
It's like paradise when she rolls those eyes
There'll be no walking into danger

I can still hear her whisper I love you
Even though I'm far far away
Someday I'll go back to Tahiti
Go back to Tahiti to stay

(Instrumental)

She's my sweetheart from old Tahiti
She's my sweetheart with eyes like an angel
It's like paradise when she rolls those eyes
There'll be no walking into danger

I can still hear her whisper I love you
Even though I'm far far away
Someday I'll go back to Tahiti
Go back to Tahiti to stay
