I searched the wide world over
For someone just like you
I dreamed of finding love
And today my dream came true.

The search is ended
I found love today
The search is ended
True love came my way.

You said that you'd be mine
Until the end of time
It's a happy day, loves here to stay
The search is ended.

--- Instrumental ---

The search is ended
My wanderin' days is through
We'll never lose it
With love so good and true.

Together we shall be
As happy as can be
You're the perfect girl
And I'll tell the world
The search is ended.

--- Instrumental ---

The search is ended
I found love today
The search is ended
True love came my way.

Together we shall be
As happy as can be
You're the perfect girl
And I'll tell the world
The search is ended.

The search is ended.
The search is ended...
