The writing's on the wall
And it's plain enough to see
Your heart has found a new love
That you'd rather have than me.

Everytime I call
Your pretending on the phone
That I am just a stranger
Though I know you least of all.

You can't hide what my heart can see
Someone took my place
There's no need to sneak
It's written on your face.

But I made you a promise
That I won't stand in your way
The writing's on the wall
So it's useless for me to stay.

You can't hide what my heart can see
Someone took my place
There's no need to sneak
It is written on your face.

But I made you a promise
That I won't stand in your way
The writing's on the wall
It's useless for me to stay...
