If there's water in the desert
Sand out in the sea
If you were not an angel
Sweet as you can be

If you can turn the night to day
Make all your dreams come true
Say how far it is to heaven
Then I'll stop loving you

If the earth is up above us
Stars are down below
If there are daisies in the desert
Roses in the snow

If today can be tomorrow
If old things can be new
You can live without a heartbeat
Then I'll stop loving you

There's no daisies in the desert
No roses in the snow
The earth is not above us
The stars are not below

Today can't be tomorrow
Old things can't be new
I can't live without a heartbeat
I can't stop loving you

There're no daisies in the desert
No roses in the snow
The earth is not above us
The stars are not below

Today can't be tomorrow
Old things can't be new
I can't live without a heartbeat
And I can't stop loving you
