There's someone who loves you
Someone who cares
Someone who needs you
Loves riches to share.

There's someone who needs you
To call all their own
There's someone who loves you
And you alone.

There's someone who'd
Cry for you, lie for you
Live or they'd die for you, gladly
There's someone who'd
Beg for you, steal for you
At your feet kneel for you
Havn't you known.

There's someone who needs you
To call all their own
There's someone who loves you
And you alone.

There's someone who'd
Cry for you, lie for you
Live or they'd die for you, gladly
There's someone who'd
Beg for you, steal for you
At your feet kneel for you
Havn't you known.

There's someone who needs you
To call all their own
There's someone who loves you
And you alone...
