Well, this is it, That day is here,
The day I knew would come, When you would leave me
dear,
Well, here I sit, While teardrops fall,
And wonder why I care when you don't care at all.
But I'm a fool that way, From a way back when,
A fool who'd take you back if you'd come back again,
But this is it, you're gone - you're free,
You'll find another love, But this is it for me.

Well, this is it, That day is here,
It's no surprise and yet, I can't hold back the tears.
Well, here I sit and try to guess,
How such an empty room, so full of loneliness.
Well, even the clock has stopped,
Somehow I guess it knew, That time's run out,
For me, it's over, it's all through.

Yes, this is it
You're gone, you're free
You'll find another love,
But this is it for me.
