Throw another log on the fire keep my golden
memories aglow
I don't see the face of my loved one when the love's a
burning low
Throw another log on the fire bring back all the
sweetest days I've known
When our hearts were young in the springtime and her
love was mine alone
There's nothing left but the embers springtime seems
so long ago
Throw another log on the fire keep my golden
memories aglow
[guitar]
Throw another log on the fire keep my golden
memories aglow
