(Ernest Tubb)

I'm walking the floor over you
I can't sleep a wink that is true
I'm hoping and I'm praying as my heart breaks right in
two
Walking the floor over you.

You left me and you went away
You said that you'd be back in just a day
You've broken your promise and you've left me here
alone
I don't know why you did dear but I do know that you're
gone.

I'm walking the floor over you
I can't sleep a wink that is true
I'm hoping and I'm praying as my heart breaks right in
two
Walking the floor over you.

--- Instrumental ---

Someday you may be lonesome too
Walking the floor is good for you
Just keep right on walking and it won't hurt you to cry
Remember that I loved you and I will the day I die.

I'm walking the floor over you
I can't sleep a wink that is true
I'm hoping and I'm praying as my heart breaks right in
two
Walking the floor over you...
