With pen in hand I try to write this note to you
I know now where I stand but what am I to do
I've found so many things to say since we're so far
apart
How can I write on paper what I feel in my heart?

How can I write on paper what I'm feeling deep inside?
Words to you would last no longer than it takes the ink
to dry
A love as sweet as yours and mine deserves another
start
How can I write on paper what I feel in my heart?

Those simple things you gave are worth the world to
me
And each of them I claim, you can't take memories
So many things were left unsaid I don't know where to
start
How can I write on paper what I feel in my heart?

How can I write on paper what I'm feeling deep inside?
Words to you would last no longer than it takes the ink
to dry
A love as sweet as yours and mine deserves another
start
How can I write on paper what I feel in my heart?...
